

TTV12-46TW

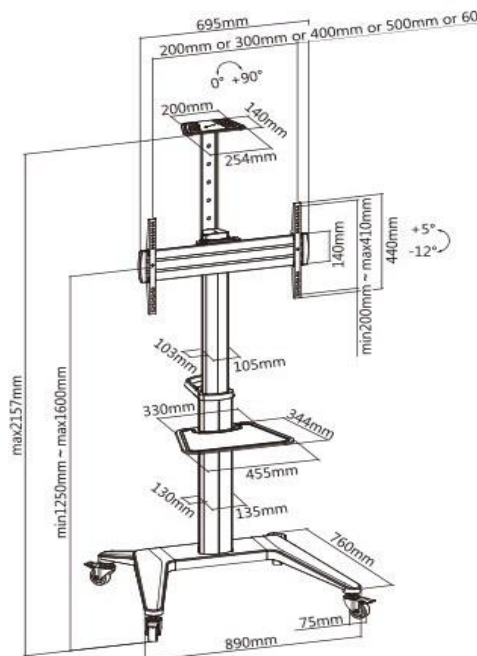

# ULTRA MODERN ALUMINUM HEIGHT-ADJUSTABLE TV CART LANDSCAPE / PORTRAIT ORIENTATION

FOR MOST 37"~70" FLAT PANEL TVS

## SPECIFICATION

TTV12-46TW comes with an ultra-strong lightweight aluminum column securely attached to an aesthetically pleasing base that together offers the most stable and secure solution for large and heavy displays. Users can easily flip the TV from landscape to portrait orientation or adjust it to remain at any position along the column. The toolless tilting design offers a variety of viewing angles. The cart is easy to move using the built-in D-ring handle while four lockable casters ensure quiet maximum stability along the way. A height-adjustable camera shelf and equipment tray are provided for devices and materials, and the integrated cable management system keeps wiring organized and protected.
